MATERIAL ANNOUNCEMENT

Renova: Regulator overrules challenges to wind farms

Cemig (*Companhia Energética de Minas Gerais*, listed in São Paulo, New York and Madrid), in compliance with CVM Instruction 358/2002 as amended, **hereby reports** to the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (B3) and the market **as follows**:

Today Cemig’s affiliated company Renova Energia S.A. (**‘Renova’**) published the following Material Announcement:

“ **Renova Energia S.A. – In Judicial Recovery (RNEW3; RNEW4; RNEW11) (‘Renova’)** informs its stockholders and the market as follows:

In its Financial Statements Renova disclosed an administrative proceeding in progress on the subject of cancellation of the Authorizing Resolutions for Phase A of the ASIII wind farms, and of the Reserve Supply Contracts awarded under the ‘LER’ (Reserve Energy) auctions of 2013 and 2014.

Renova now reports that on today’s date the Governing Council of the Brazilian electricity regulator, Aneel (National Electricity Agency), decided unanimously as follows:

- (i) To take cognizance of, and to grant, on its merits, the Administrative Appeal filed by Renova Energia S.A. against Complaint Notices 25/2019 and 50/2019, issued by the Generation Services Oversight Authority (*Superintendência de Fiscalização dos Serviços de Geração – SFG*), relating to Phase A of the **Alto Sertão III** Wind Farm Complex, which comprises the following Wind Generation Plants –

Abil, Acácia, Angico, Folha de Serra, Jabuticaba, Jacarandá do Cerrado, Taboquinha, Tábua, Vaqueta, Amescla, Angelim, Barbatimão, Cedro, Facheio, Imburana Macho, Jataí, Juazeiro, Manineiro, Pau D’Água, Sabiu, São Salvador, Umbuzeiro, Vellozia, Mulungu, Pau Santo and Quina,

– and to cancel the said Notices of Complaint, making the following rulings:

- (ii) Cancellation of application of Sub-item IV of Subclause 12.1 of the Reserve Energy Supply Contract (CER) for the *Mulungu*, *Pau Santo* and *Quina* wind generation plants, which won the Reserve Energy Auction (LER) of 2014.
- (iii) Cancellation of temporary suspension of the right of Renova Energia S.A. to contract or participate in public competitions organized by Aneel in relation to Phase A of the Alto Sertão III Wind Farm Complex.
- (iv) Aneel ordered the SFG to make a new analysis for assessment of application of penalties specified in the Bidding Rules for the 2013 and 2014 LER Auctions for delay in conclusion of the projects, a responsibility of Renova Energia S.A.
- (v) Aneel ordered the Generation Concessions and Authorizations Authority (*Superintendência de Concessões e Autorizações da Geração – SCG*) to assess applicability of the performance guarantees of the plants as specified in the published Bidding Rules of the 5th LER Auction of 2013 and the 6th LER Auction of 2014, and in Article 13 of Normative Resolution 876 of 2020.

With the above decision, **Renova** takes one more important step in the consolidation of its restructuring plan, confirming the viability of the Wind Farms of Phase A of the *Alto Sertão III* Wind Farm Complex, and enabling **Renova** to contribute to the Brazilian energy system at this delicate moment that the country is currently undergoing. ”
