MARKET NOTICE

Cemig included in ISE Corporate Sustainability Index for the 16th year running

As part of its commitment to best corporate governance practices, **Cemig** (*Companhia Energética de Minas Gerais* – listed in São Paulo, New York and Madrid), hereby **reports** to its stockholders and the market:

For the 16th year running, Cemig has been selected for inclusion in the ISE Corporate Sustainability Index (*Índice de Sustentabilidade Empresarial*) of the São Paulo stock exchange (B3 S.A. – *Brasil, Bolsa, Balcão*) for 2021, in effect from January 4 to December 30, 2021.

The ISE index is a tool for comparison of performance of the companies listed on the B3 from the view of corporate sustainability – based on economic efficiency, environmental balance, social justice and corporate governance.

The new portfolio of the ISE has 46 shares, of 39 companies, in 15 sectors, with total market capitalization of R\$ 1.8 trillion – or 38% of the total market capitalization of all the shares traded on the B3 exchange (on Nov. 25, 2020).

The fact that Cemig remains in the ISE Index of the B3 is testimony to its continuous commitment to adoption of best ESG (environment, social and governance) practices – which Cemig sees as determining factors for sustainable growth, with the aim of creating sustainable value for its stockholders, employees, suppliers and society.
