NOTICE TO MARKET

Ambipar Participações e Empreendimentos S.A. ("Ambipar Group" or "Company") (B3: AMBP3) goes public to inform the **acquisition of the controlling interest of the company C-Tank**, through its subsidiary Emergência Participações S.A. ("Ambipar Response").

Founded in 2015, **C-Tank** specializes in industrial and marine tank cleaning, offering *onshore and offshore solutions* to customers of different segments. Its operations are focused on the states of Rio de Janeiro and São Paulo and with its headquarters in Niterói, RJ. In 2021, C-Tank had **revenues of R\$ 41 million** and **EBITDA of R\$ 19 million**.

With 300 employees, the company has a solid geographic expansion capacity to offer its services in all regions where Ambipar operates.

C-Tank now becomes **Ambipar Response**, which now relies on Ambipar's strategic management and structure to drive its growth.

This acquisition is strategic and generates synergies with Ambipar's current operations, because: (i) allows entry into the marine tank cleaning segment; (ii) increases the portfolio of environmental services and solutions; (iii) brings operational and administrative efficiency and generates cross selling opportunities; and (iv) allows sharing of structure and team increasing the utilization rate and efficiency of assets. In line with other acquisitions, it scales and reinforces the **one-stop shop model** from which a single platform strengthens as a reference in environmental services.

The Company clarifies that this acquisition will not be submitted for approval by its shareholders, nor will it entitle the right of recess, since: (i) it was carried out through its subsidiary, privately held; and (ii) the price paid for the acquisition does not exceed one and a half times the highest of the three amounts provided for in Article 256, II of Law No. 6,404/76.

São Paulo, 26th of July 2022.
