NOTICE TO THE MARKET

A **Ambipar Participações e Empreendimentos S.A.** ("Grupo Ambipar" ou "Companhia") (B3: AMBP3) announces the acquisition of 100% of the company **Emerge Hydrovac Inc.** ("**Emerge Hydrovac**"), through its indirect wholly owned subsidiary Ambipar Holding Canada Inc. ("Ambipar Holding Canada").

Emerge Hydrovac operates in environmental emergencies and industrial services, focusing on road and industrial modalities. It has 3 operational bases in the states of British Columbia and Alberta, in Canada, and earned 6.5 million Canadian dollars in the last 12 months.

In line with the expansion plan, this is the Company's ninth acquisition in North America, which **now has 23 bases strategically located in the region and present in 12 states.**

Emerge Hydrovac, at this moment, becomes **Ambipar Response**, which now has the strategic management and structure of the Ambipar Group to drive its growth in the North American market.

Para o Grupo Ambipar, esta aquisição: (i) expande geograficamente a presença da Companhia na América do Norte; (ii) amplia a capilaridade de atendimento, reduzindo o tempo de resposta; (iii) gera sinergias operacionais, administrativas e oportunidades de cross selling; em linha com o seu plano estratégico de crescimento, com captura de sinergias e potencial maximização das margens e retorno.

The Company clarifies that this acquisition will not be submitted to the approval of its shareholders, nor will it give rise to the right of withdrawal, considering that: (i) it was carried out through its privately held subsidiary; and (ii) the price paid for the acquisition does not exceed one and a half times the highest of the three amounts provided for in article 256, II of Law 6,404/76.

São Paulo, Semptember 08, 2021.
