**ECORODOVIAS INFRAESTRUTURA E LOGÍSTICA S.A.** (“Company” or “EcoRodovias”) hereby informs its Shareholders and the market, the preliminary consolidated traffic monthly figures for December 2022 and for the year of 2022 in relation to the same periods in 2021. These are managerial results and are subject to change.

In December 2022, the reduction in traffic at Eco101 is due to the occurrence of erosion and blockages on roads caused by the heavy rains in the state of Espírito Santo, mainly on stretches located in the municipalities of Linhares/ES, Aracruz/ES and São Matheus/ES. The roads already have been cleared for traffic.
