

# CERRADINHO EM FOCO

## CerradinhoBio receives Featured Award in Power Generation and Cogeneration

*Igor Henrique de Carvalho, Supervisor of Energy Cogeneration, represented CerradinhoBio at the awards event.*

CerradinhoBio participated in the 10th edition of Visão Agro Award, where it was elected the best in the Center-South region in the category:

**“ENERGY GENERATION AND COGENERATION”**

The Visão Agro Award honors annually, companies that stand out in the areas of transformation and production in the sugar-energy sector in the Center-South region of the country.

CerradinhoBio shares with its employees this important recognition.
