

CERRADINHO EM FOCO

Ranking VALOR 1000 brings together the companies with the best performance in the Sugar and Alcohol sector

The ranking of Valor Econômico, based on FGV (Fundação Getúlio Vargas) and Serasa criteria, measured the performance of companies by means of 8 indicators: general classification, regional highlights, current liquidity, region's largest and interest coverage.

In the 2016 ranking published this week, CerradinhoBio grew 73 positions in the overall ranking. Present in 5 categories, it is one of the 10 most well-evaluated companies in current liquidity by one of the main publications and economy and finances of the country.

Check the results:
