

# CERRADINHO EM FOCO

## CerradinhoBio is honored at the 16th Vision Agro 2018 Award

On December 4, the 16th Vision Agro 2018 Award took place, honoring all those who excelled in the areas of transformation and production in the country's sugar-energy sector.

On that occasion, the Chairman of the Board of Directors, **Luciano Sanches Fernandes**, one of the most important leaders of the sugar and ethanol sector, was honored in the category "**Best Managers**".

Luciano S. Fernandes receives the Top Managers Award

CerradinhoBio was highlighted in the categories "**Generation and Energy Cogeneration**" and "**Investments and Expansions**" in the sector sugarcane, ranking among the best in the country and made the difference in the 2017/2018 cycle.
