MZ is a **specialized** IR consulting firm with **22 years** of market experience and first-class service

**Dedicated team**  
and **customized**  
customer service

**Gathering, monitoring**  
and **disclosure** of  
information on new CVM,  
B3 and SEC rules and  
instructions

**Operational and**  
**strategic support** for  
investor relations  
programs

## What makes us unique?

- Exclusive service, with easy access and quick return
- Support in preparing and updating earnings disclosure documents: earnings releases, fact sheets, and quarterly presentations
- Filling out of structured forms (interim financial information, standardized financial statements and reference forms)
- CVM and SEC filings
- Preparation of market reports and others

MZ's IR consulting services act as a catalyst for our learning curve. It's very good to know to whom we can send our questions. Most of what I learned during my professional career came from our partnership with MZ."
