

MZ

Empower your IR branding!

MZ has a Design area **specialized** in preparing your IR materials

Disclosure material benchmark

Releases, Presentations, Factsheets, and Mailings

Infographics, organization charts, among other demands

Our competitive advantages:

- Team 100% specialized in the design of IR materials
- One-stop-shop: from project design to final delivery, all carried out in house
- Unique service, with easy access and quick return
- Graphic production team specialized in IR materials

Get ahead of the market

The branding of individual investors announced by B3 is a strong indicator that easy, customized, and objective communication has become a priority for companies. More than that, the competitive advantages of each company **must be displayed**, and a well-prepared design of IR materials can be a great ally in that journey.
