("AERIS") with the manager of Juan Santamaria International Airport and *Consejo Técnico de Aviación Civil* ("Amendment"), which becomes effective as of 05/30/2023.

The Amendment aims to restore the economic and financial balance of the Interested Management Contract, totaling US\$109,270,679.76, due to the losses incurred by AERIS from the COVID-19 pandemic, by extending the concession period by an additional 10 (ten) years beyond the originally contracted period and introducing an additional tariff of *Recuperación Económica del COVID-19*, of US\$1.56, to be charged from passengers entering and/or leaving Juan Santamaria International Airport.
