MATERIAL FACT

MOTIVA INFRAESTRUTURA DE MOBILIDADE S.A. ("Motiva" or "Company") (B3: MOTV3; Bloomberg: MOTV3 BZ; Reuters: MOTV3.SA), further to the Material Facts disclosed on November 13, 2024 and December 18, 2024, hereby informs its shareholders and the market in general that, as of today, the Joint Committee of the Bidding Process has confirmed the Company's continued direct ownership and control of Concessionária de Rodovias Sul-Matogrossense S.A. ("MSVia"), due to the lack of economic proposals in Bidding Process 01/2025, conducted by the Company and the Federal Government through the National Land Transportation Agency – ANTT ("ANTT"), for the sale of 100% (one hundred percent) of the shares representing MSVia's share capital.

With the announcement of the result of the Bidding Process and upon fulfillment of the conditions precedent, an amendment will be signed to modernize the MSVia's Concession Agreement, extending its term by an additional 29 (twenty-nine) years, ensuring the continued provision of public service on BR-163/MS, under the conditions approved by the Plenary Session of the Federal Court of Accounts ("TCU"), under TCU Ruling 2,434/2024.

The Company's continued control of MSVia marks the achievement of another important milestone in Motiva's strategic plan, complying with strict capital allocation criteria for the creation of value to shareholders.
