MATERIAL FACT**OFFICIAL LETTER RECEIVED FROM THE CONTROLLING SHAREHOLDER**

Companhia de Saneamento de Minas Gerais - COPASA MG (B3: CSMG3), in compliance with CVM Resolution 44/2021, further to the [Material Fact of November 14, 2024](#), hereby informs its shareholders and the market in general that today it received from its controlling shareholder, the State of Minas Gerais, through the State Secretariate for Economic Development, an Official Letter signed at 9:35 p.m., the full content of which is transcribed below:

“To Mr.

Hamilton Amadeo

Chair of the Board of Directors

Companhia de Saneamento de Minas Gerais - Copasa/MG

Subject: Request to the Company's management for verification of applicable measures

Reference: [If responding to this Official Letter, explicitly indicate Process no. 1220.01.0000861/2025-57].

Mr. Chair,

Considering the provisions of Federal Law 14,026, of July 15, 2020, which updates the Basic Sanitation Legal Framework (Federal Law 11,445, of January 05, 2007), establishing obligations and a new deadline for achieving universal access to basic sanitation services;

Considering that the Government of the State of Minas Gerais is committed to taking the necessary measures to meet the legal deadline for universal sanitation;

Considering that the current administration of the Government of the States of Minas Gerais has submitted a proposal for an Amendment to the 1989 State Constitution and a Bill to authorize the Executive Branch to implement measures for the privatization of Companhia de Saneamento de Minas Gerais – COPASA;

Considering that the discussion in the State Legislature of Minas Gerais, the legitimate representative of the interests of the people of Minas Gerais, involves the sharing of data and technical information;

Considering the applicable provisions in COPASA/MG's Bylaws;

I request that the management of Copasa/MG verify the applicable measures to:

a) conduct all necessary due diligence and assessments to identify potential risks related to the universalization of sanitation services, including possibilities for anticipating compliance with the legal deadline;

b) evaluate the current capital structure to recommend alternatives to ensure that the necessary investments are made within the required deadlines;

c) carry out all activities, studies, due diligence, and services necessary to support the State in discussions to be held with the State Legislature of Minas Gerais and with other stakeholders involved in the process, throughout the course of the aforementioned Constitutional Amendment proposal and Bill, providing all necessary information to ensure broad public debate, respect for the democratic process, and the duty of transparency.

I emphasize that the execution of the measures, in their entirety, must be supervised by the controlling shareholder, through a person, team, or body delegated for this purpose, which may request improvements, changes, and direction in the documents prepared and in the execution itself.

Sincerely,

Mila Batista Leite Corrêa da Costa

Secretary of State for Economic Development”.
