

Notice to the Market

JALLES MACHADO S.A. ("Jalles Machado" or "Company", B3: JALL3), in compliance with CVM Instruction 358, of January 3, 2002, issued by the Brazilian Securities and Exchange Commission ("CVM"), as amended, hereby informs its shareholders and the market in general that the French company Albioma announced yesterday, July 15, 2021, that its Brazilian subsidiary, Albioma Codora Energia, in which Jalles Machado holds a 35% stake in its capital stock, was the winner of ANEEL's Auction 007/2021 (A-4), held on July 8, 2021, with reference to the power purchase agreement (PPA), for a 20-year term starting in 2025, for the volume of 64 GWh, and a guaranteed price of R\$ 202.35/MWh, to be adjusted for inflation.

In order to meet this new agreement, Albioma Codora Energia relies on the increased energetic efficiency from the biomass energy generation plant, which is located adjacent to the Otávio Lage Plant, and the development of the project for biogas production from stillage, a residue from ethanol distillation. The biogas production plant, which will feature innovative production technology, is undergoing a development phase, with project management being carried out by Albioma.

Jalles Machado's Investor Relations team remains at your disposal for any clarifications.
