# Social Responsibility Guideline

→ Approved in 2022, our Social Responsibility Guideline focuses on **three pillars** related to our **corporate culture** and **Sustainability Strategy**.

# Social investment **goals**

Engage with all municipalities **where Dexco operates** through initiatives

Contribute to **local development** through social projects **aligned with the Company strategy**, with greater accuracy in investment

# Criteria for social investment

<p><b>Social vulnerability index</b> of the municipalities</p>		<p>Establish indicators and demonstrate <b>sustainable results for the community</b></p>	
<p>Social opportunities identified in the <b>dialogue with communities</b></p>		<p><b>Organization Governance</b></p>	
<p>Relevant causes: <b>culture, education, health, environment and decent housing</b></p>		<p>Enhance the <b>leadership of local stakeholders</b> and <b>strengthen social organizations</b></p>	
<p>Priority target beneficiaries: <b>children and adolescents</b></p>		<p>Connection to <b>one or more of Dexco's priority SDGs</b></p>	

# Priority SDGs

In addition to Dexco's priority SDGs, **projects can cover more, according to the specific scope of the selected project.**

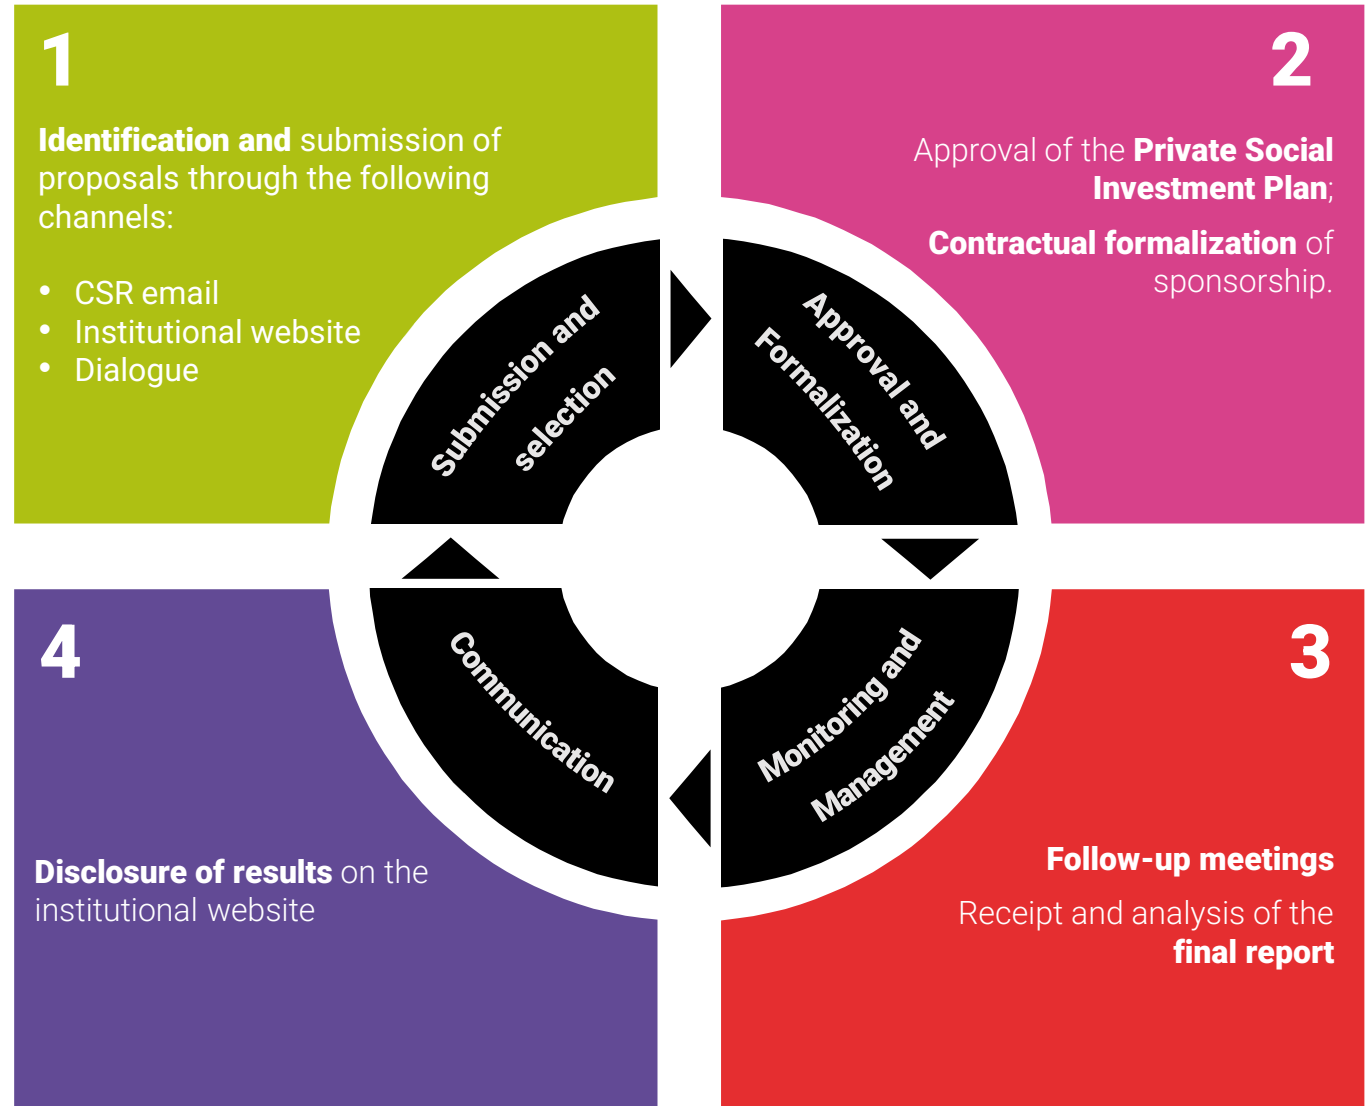

- SDGs **8**, **9** and **12** were identified as priorities due to their relevance to Dexco's activities.
- In addition, SDGs **13** and **15** were also prioritized, reflecting the company's commitment to forest management practices and **its purpose to offer solutions to live better.**

# Cycle of projects

The projects supported by Dexco go through the following stages

# Fronteiras do Pensamento

**Proponent:** Delos Produções Culturais

Lecture Cycles with national and international references.

**Municipality:** São Paulo/SP

**Related SDGs:** 3, 4, 5, 7, 11, 13 e 16

**Federal Cultural Support Law**

**Speakers:** Anna Lembke; Muriel Barbery; Nouriel Roubini; Simon Montefiore; Stuart Russel; e Yascha Mounk.

## Results

- In 2024, **6 conferences** were held in São Paulo, and **3 "Experience with the Lecturer" events**.
- With the sponsorship of Dexco, **85 people participated directly in the project's actions**, and **about 2 thousand were impacted through the Fronteiras+ digital portal** ([www.frenteiras.com](http://www.frenteiras.com)).

# Prêmio Salão Design 2024/2025

ON GOING

**Proponent:** SINDMÓVEIS – Sindicato das Indústrias Da Construção e do Mobiliário de Bento Gonçalves

The Salão Design Award is a channel of integration between designers and industries, rewarding talent and bringing to the market pieces with a competitive advantage. Consisting of a 4-day exhibition, it culminates in an annual design award and has free admission throughout the period of realization.

**Municipality:** Bento Gonçalves/RS

**Related SDGs:** 8, 9, 11, 12 e 17

**Federal Cultural Support Law**

## Results

- In all, **5,500 people were directly impacted** by the project **through the sponsorship of Dexco**, including spectators and participating architects and designers.
- In the cycle, **278 architects and designers participated with the support of Dexco.**
- Involvement of **more than 40 associations, entities, universities of design and architecture.**

# Museu de Arte de São Paulo Assis Chateaubriand (MASP)

**Proponent:** São Paulo Museum of Art Assis Chateaubriand (MASP)

MASP's mission is to establish, in a critical and creative way, dialogues between past and present, cultures and territories, based on the visual arts. To this end, it must expand, preserve, research and disseminate its collection, as well as promote the encounter between audiences and art through transformative and welcoming experiences.

**Municipality:** São Paulo/SP

**Related SDGs:** 4, 5, 7 e 10

**Cultural Action Program of the State of São Paulo (ProAC)**

## Results

- Sponsored by Dexco, **MASP received 702 visitors in 2024**, in 15 exhibitions held.
- Through 80 actions on the fronts: MASP School, MASP Teachers, Seminars and Workshops, 25 people were impacted, including education professionals and students from the public network.

# Museu Judaico de São Paulo

**Proponent:** Jewish Museum of São Paulo

The Museu Judaico de São Paulo's (Jewish Museum of São Paulo) mission is to cultivate and keep alive the various expressions, stories, memories, traditions and values of Jewish culture, in dialogue with the Brazilian context, such as the present time and with the aspirations of its different audiences.

**Municipality:** São Paulo/SP

**Related SDGs:** 4, 5 e 16

**Cultural Action Program of the State of São Paulo (ProAC)**

## Results

- The Jewish Museum received **497 people in 2024 with the support of Dexco.**
- Of this total, 4% (22) were children and 18% (94) were adolescents.
- In all, **more than 140 public schools participated in the Museum's activations.**

# Judô Gulô

ON GOING

**Proponent:** Associação Desportiva e Cultural Gulô

The project aims to maintain and continue the execution of the sports project of a judo school aimed at children and young people of both genders and free of charge, combating sedentary lifestyle and increasing socialization between participants and families.

**Municipality:** Agudos/SP

**Related SDGs:** 3

**Sports Incentive Program of the State of São Paulo (PIE)**

## Results

- In 2024, there were **80 direct beneficiaries** of the program, in addition to **160 indirectly** (family members and/or guardians).
- Of the total number of direct beneficiaries, 70 were children (87%) and 10 were adolescents (13%).
- In all, there were **80 judo classes offered**.
