

# Government and Institutional Relations 2022

The Government and Institutional Relations team (RIG) at Dexco works with the purpose of conducting strategic actions in public policies aligned with the business interests, creating monitoring mechanisms and contributing to provide the political entity with sufficient elements for legislative work.

Some of the main projects within the scope of Dexco's Government and Institutional Relations team are below:

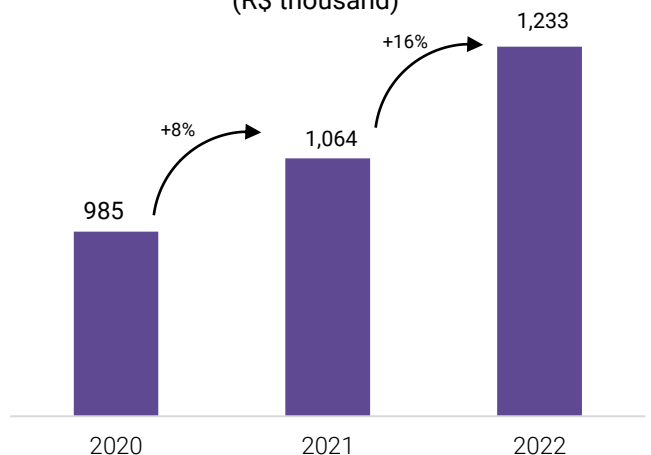

Our conduct is guided by the highest standards of ethics, transparency, and morality, in accordance with the Company's Laws and Anti-Corruption Policy.

Therefore, in accordance with applicable laws and current internal policies (Anti-Corruption Policy and Internal Donations Policy), we do not make political contributions.

However, in line with our strategies, we actively participate in 22 Institutions and Associations (listed at the end of this publication) ensuring an impersonal and transparent political action. Our most significant contributions are:

- **Brazilian Tree Industry (IBA)**  
R\$ 494,820.00
- **Brazilian Electrical and Electronics Industry Association (ABINEE)**
