**NOTICE TO THE MARKET**

**ORIZON VALORIZAÇÃO DE RESÍDUOS S.A.** ("Company"), pursuant to ICVM nº 358/2002, hereby informs its shareholders and the public in general that Foxx URE-BA Ambiental S.A. ("URE-BA"), an indirect subsidiary of the Company located at Barueri/SP, whose corporate purpose comprises the thermal treatment of urban solid waste with energy recovery, participated and was declared a winner at the 2021 Power Generation Auction (Leilão de Geração) nº 004/2022 organized by the National Agency of Electrical Energy (ANEEL) occurred on October 14, 2022.

URE-BA was the only winner in the waste-to-energy category and undertook the obligation to supply, annually, 1,2 average MWh, at a price of R\$ 603.50/MWh, totalling additional revenue of R\$ 126,966,744.00 (one hundred and twenty-six million, nine hundred and sixty-six thousand and seven hundred and forty-four Brazilian Reais), it will take effect in November 2022 and will be annually adjusted by IPCA, through a period of twenty (20) years, starting the energy deliver only at January 1, 2027.

The winning bid in this auction is incremental to the Power Generation Auction nº 008/2021-ANEEL, not requiring any additional investment in the project. Details regarding last year's auction can be consulted in the Material Fact of September 30, 2021, available on the Company's IR website.

The Company informs that it will keep its shareholders and the market in general updated on the progress of the events covered in this communication.
