Listed Company

NOTICE TO THE MARKET

Randon SA Implementos e Participações ("Company") (B3: RAPT3, RAPT4) announces that, the Board of Directors approved corporate restructuring, in which its subsidiaries Suspensys ("Suspensys"), located in Caxias do Sul (RS) and in Resende (RJ), as of this date, will comprise the assets of the subsidiary Castertech Fundação e Tecnologia Ltda. ("Castertech"). The operation aims to expand synergies between these units, Suspensys and Castertech, since both operate in the auto parts segment.

The transferred assets and liabilities were valued by Ernst & Young Auditores Independentes, at book value, resulting in net assets of R\$ 175 million, which will now be shown as Castertech's share capital and as an investment in the Company's consolidated financial statements.

As a result of the operation, Suspensys establishments start to act as subsidiaries of Castertech, with no significant impact on the operations of the two companies, which will continue without any impact on the production chain, shareholders and other stakeholders.
