NOTICE TO THE MARKET

Randoncorp (Randon S.A. Implementos e Participações | B3:RAPT3, RAPT4) ("Company") informs its shareholders and the market that the company Addiante S.A. ("Addiante"), a joint venture ("JV") between its subsidiary Randon Serviços e Participações Ltda. and Gerdau Next S.A., has signed an Equipment Leasing Agreement with Ambipar Participações e Empreendimentos S.A. and its subsidiaries ("Ambipar"), providing for the purchase of 1,607 vehicles by Addiante, which are to be replaced by a new fleet within 24 months. After each vehicle is replaced with a new one by Addiante, Ambipar will lease it for a minimum of 60 months.

These contributions may be made at the most appropriate times, as needed by Addiante's cash flow. The remaining resources required for the project will be obtained through financing by the JV itself.

The completion of the transaction is subject to precedent conditions, including approval by competition authorities.
