

RANDONCORP S.A.*Listed Company***NOTICE TO THE MARKET**

Randoncorp S.A. | B3: RAPT3, RAPT4, hereby informs its shareholders and the market in general that, on this date, the credit rating agency *Standard & Poor's Global Ratings* ("S&P") reaffirmed the Company's corporate rating on the Brazil National Scale at **brAAA**, with a change in the outlook from stable to negative.

According to the S&P report, the maintenance of the Company's rating is supported by initiatives to improve its capital structure and the diversification of its businesses, with a focus on the aftermarket segments and the international market.

The outlook was changed to negative due to the low volumes of production and sales of commercial vehicles in Brazil in the coming quarters, in a scenario of higher interest rates and lower availability of credit, which reflected in the Company's leverage level.
