Notice to the Market

Iochope-Maxion S.A. ("Company" – B3:MYPK3) hereby informs its shareholders and the market in general of its entry into the market of forged aluminum wheels for commercial vehicles and the opening of its new plant of steel wheels for trucks in Turkey, through its subsidiary Maxion Inci Jant Sanayi A.S.

The new steel wheel plant for trucks, which starts operations in 3Q22, will have an annual capacity of 1.5 million wheels. This volume, added to the recent announcement of more than 500 thousand wheels for commercial vehicles and agricultural machinery in Brazil, will increase our capacity of steel wheels for commercial vehicles, to serve customers worldwide, from 8 million to 10 million per year.

The construction of the new plant of forged aluminum wheels will begin this year, with the start of its operations scheduled for the end of 2024. With an industrial park of 45 thousand square meters, the new plant will begin its activities with an annual capacity of 350 thousand wheels.
