

## Vicente Falconi Campos

Vicente Vicente Falconi Campos is a founding partner and chairman of the board of Falconi Consultores de Result, founded over 30 years ago and currently one of the largest management consultancies in Brazil.

He was a member of the board of AmBev, where he was a director for 25 years, Brasil Foods, Cyrela and Qualicorp. He currently sits on the board of Falconi Participações SA and on the advisory board of the Zerrener Foundation.

He has published six books in the field of Business Management, which together have sold more than one million copies. He received honors from the Brazilian federal government (Rio Branco Medal and Knowledge Medal), from the state government of Minas Gerais and from the municipality of Belo Horizonte.

He holds a degree in Engineering from the Federal University of Minas Gerais, MSc. and Ph.D in Engineering, from the Colorado School of Mines (USA), and served as an Engineering professor for three decades (he has the title of Professor Emeritus awarded by UFMG).
