

## Rodrigo Limp Nascimento

Rodrigo Limp Nascimento holds a degree in Electrical Engineering from the Federal University of Juiz de Fora. He has a master's degree in Regulatory Law and a Master of Public Sector Economics, both from the University of Brasília, and a Master of Business Administration in Electric Energy from Fundação Getúlio Vargas. He began his professional career at the Brazilian National Electric Energy Agency (Aneel), in 2007, as a specialist in the regulation of public energy services. In 2015, he became a legislative consultant in the areas of energy, mining, and water resources in the Chamber of Deputies of Brazil. From May 2018 to March 2020, he held the position of director of Aneel and then secretary of Electric Energy of the Ministry of Mines and Energy (Mme). From April 2021 to July 2022, he was a member of the Board of Directors of Itaipu Binacional. Since April 2020, he has been a member of the Board of Directors of the Brazilian National Electric System Operator (ONS), becoming the chairman of the board in May 2021. He was sworn in as president of Eletrobras in May 2021.
