

NEOGRID PARTICIPAÇÕES S.A.

CNPJ 10.139.870/0001-08

NIRE 42300036510

MATERIAL FACT**COMPULSORY REDEMPTION OF SHARES**

Neogrid Participações S.A. ("Company") informs that, at the Extraordinary Shareholders Meeting held on this date, the compulsory redemption of the 328,123 (three hundred and twenty-eight thousand, one hundred and twenty-three) registered common shares with no par value issued by the Company that were outstanding ("Redemption"), after the completion of the Unified Public Tender Offer for the Acquisition of Control and Cancellation of Registration of the Company, was approved. carried out pursuant to the tender protocol published on May 7, 2026 ("Tender Offer Notice") and settled on May 29, 2026 ("Tender Offer"), pursuant to article 4, paragraph 5, of the Brazilian Corporation Law.

The price to be paid to the former holders of the redeemed shares ("Redemption Price") will be paid by Itaú Corretora de Valores S.A., the bookkeeping institution of the Company's shares, ("Bookkeeper") according to the data contained in the registration information of the former holders of the redeemed shares, on August 21, 2026, pursuant to item 7.2 of the Tender Offer Notice.

The Redemption Price will be R\$34.89 per share – corresponding to the price of the Tender Offer auction, adjusted by the Fee of the Special Settlement and Custody System of the Central Bank of Brazil (SELIC) accumulated *pro rata temporis* from May 29, 2026 (date of settlement of the Tender Offer) until August 21, 2026 (date of payment or date on which the amount is made available to the former holder at the Bookkeeper, as the case may be).

If, for any reason, including due to outdated registration information, it is not possible to pay the Redemption Price to a certain former holder of the redeemed shares, the corresponding amount will be deposited with the Bookkeeper and will be available to its holder for ten (10) years from this date – that is, until August 7, 2036 –, without any adjustment, addition or compensation, under the terms of item 7.2.2 of the Tender Offer Notice. The claim of the amounts will be subject to the procedures and requirements of the Bookkeeper, which must be complied with by each former holder of the redeemed shares, without any liability of the Company. If the Redemption Price is not claimed by its holder by August 7, 2036, your right to said amount will automatically lapse, for any and all purposes. The amounts that are not claimed by their holders within the referred period will be refunded to the Company, under the terms of the agreement maintained with the depositary institution.

In the case of former holders of the redeemed shares who are not residents in Brazil, for tax purposes, ("INRs"), the Company will withhold and pay the withholding income tax ("IRRF") levied on the capital gains realized as a result of the Redemption, pursuant to item 4.12 of the Tender Offer Notice and its sub-items, including item 4.12.4, regarding the liability of INRs. The capital gain of each INR will correspond to the positive difference between (i) the Redemption Price to be paid to the INR as a result of the Redemption, and (ii) the average acquisition cost, in reais, of the shares redeemed from the INR. INRs must send the information necessary for the calculation

of the IRRF, accompanied by supporting documentation, by 12:00 p.m. (Brasília time) on August 14, 2026, by email, to the electronic address ri@neogrid.com, with the subject "*Average Cost of Acquisition of Shares – INR – Redemption of Shares*", pursuant to item 4.12.3 of the Tender Offer Notice. In accordance with the laws and regulations in force, if an INR does not send the information or documents necessary for the calculation of the WHT within the applicable period, the Company will calculate the amount of the WHT considering the zero acquisition cost (R\$ 0.00) for the shares of the INR in question, so that the Redemption Price will be fully considered capital gain, applying the other provisions of item 4.12.7 of the Tender Offer Notice, as applicable.

In case of doubts or need clarification about the Redemption procedures, it is recommended to contact the Bookkeeper, during business hours, through the email atendimentoescrituracao@itau-unibanco.com.br.

The Company is also available for any questions related to the Redemption, through the email ri@neogrid.com.

Joinville, August 7, 2026.
