NOTICE TO THE MARKET

**S&P GLOBAL RATINGS REAFFIRMS BANCO INTER'S RATING
AT "BRAA+" WITH STABLE OUTLOOK**

INTER & CO, INC. (NASDAQ: INTR; B3: INBR32) ("Inter&Co" or "Company") hereby announces that S&P Global Ratings (S&P) Reaffirmed the rating of Banco Inter S.A. at 'brAA+' on the Brazilian National Scale, with a stable outlook.

S&P reaffirmed Banco Inter's rating and outlook based on several factors, including: (i) continuous improvement in profitability, (ii) diversification and expansion of the credit portfolio, (iii) capital metrics in line with the Brazilian industry average, (iv) perception of ongoing profitability improvement, and (v) stable asset quality.

According to the report published today, April 23, 2025, S&P states: "We believe the entity will continue to show increasing profitability indicators over the next quarters, maintaining stability in its business model and allowing for the continuity of its expansion and diversification strategy, even in the face of a challenging economic environment and high interest rates."
