NOTICE TO THE MARKET

Response to the request for clarification on the petition of bankruptcy of its subsidiary.

Raízen S.A. ("Raízen" ou "Companhia") (B3: RAIZ4) presents to its shareholders and the market in general, in response to Official Letter 54/2023-SLS ("Official Letter") of B3 S.A. – Brasil, Bolsa Balcão ("B3"), with copy to the Securities and Exchange Commission of Brazil ("CVM"), in which it was requested the following:

"Ref: Request for clarification on the petition of bankruptcy of a subsidiary

Dear Sirs,

We hereby request you to send, by noon of January 13, 2023, without prejudice to the provisions of the sole paragraph of art. 6 of CVM Resolution 44/21, clarifications on the petition of bankruptcy of your subsidiary Raízen Energia S/A, disclosed in a specific column of the Valor Econômico newspaper, edition of 13/01/2023, filed by Construtora Ecman Ltda."

The Official Letter refers to the list published in the portal of the newspaper *Valor Econômico*, on January 13, 2023, about the petition of bankruptcy of its subsidiary Raízen Energia S.A. ("Raízen Energia"), filed by Construtora Ecman Ltda. ("Ecman")

The Company informs that, up to the present moment, it has not been duly notified in regard to such request.

The Company also clarifies that Raízen Energia had service agreements with Ecman, terminated by Raízen Energia on November 30, 2022, due to Ecman's contractual defaults.

Despite the termination of such agreements, Ecman issued titles without the underlying service being provided. As a result, Raízen Energia took legal action against Ecman and an injunction was granted yesterday, determining: (i) the suspension of all effects of the protests against Raízen Energia by Ecman (in the approximate amount of R\$25. 000,000.00); and (ii) that Ecman refrains from protesting titles related to the agreements executed between the parties, under the penalty of a fine, since the Court found that there is evidence of issuance of invoices without the underlying service being provided.

The Company understands that the bankruptcy petition is clearly unfounded and clarifies that the amounts under discussion have no material impact on its business, considering the net worth of Raízen Energia.

The Company reaffirms its commitment with its legal obligations and will keep the market in general informed about potential relevant developments on this matter.
