**NOTICE TO THE MARKET****Issuance of R\$1.2 billion Sustainability-linked Debentures**

**RAÍZEN S.A. (B3: RAIZ4) ("Raízen" or "Company")** and its controlled company **RAÍZEN ENERGIA S.A. ("Raízen Energia")** hereby announces the issuance of its first Sustainability-Linked Debentures (SLD) tied to ESG targets. Fundraising was R\$ 1,196,685,000.00 (one billion one hundred and ninety-six million six hundred and eighty-five thousand Reais) with cost indexed to IPCA + 5.9%.

Raízen linked this issuance to commitments of (i) increase to 94% the Bonsucro certification that attests good environmental and social practices in the Bioenergy Parks, and (ii) increase the participation of women in leadership positions from 19% to 30% by 2026. The transaction received certification from Sustainalytics, which issued an SPO ("second party opinion"), attesting the Company's initiatives and adequacy of corporate practices, policies and processes to ESG principles for securities and loans considered "sustainability-linked".

Funds will be directed to investments that supports Raízen's expansion plan by expanding the offering of cleaner, renewable and sustainable energy, reinforcing our leadership position in the transition and decarbonizing of the world's energy matrix.
