**NOTICE TO THE MARKET**

**Sale of the Continental Mill**

**Raízen S.A. (B3: RAIZ4) ("Raízen" or the "Company")** together with its subsidiary Raízen Energia S.A. ("Raízen Energia") informs its shareholders and the market in general that it has entered into an agreement for the sale of the Continental Mill, located in the municipality of Colômbia, São Paulo state, with an installed crushing capacity of approximately 2 million tons per crop year, as well as the transfer of its owned sugarcane and supply contracts associated with this unit ("Transaction"), to Grupo Colorado ("Buyer").

The total amount for the Transaction is estimated at R\$750 million, corresponding to the assets, including off-season maintenance investments to be assumed by the Buyer. Payment will be made in cash upon closing of the Transaction, subject to customary adjustments for transactions of this nature.

This transaction is consistent with the Company's strategy of optimizing its asset portfolio, simplifying operations, and capturing efficiencies, with a focus on enhancing the profitability of its agroindustrial operations. Upon completion of this and other previously announced transactions, Raízen will operate a portfolio of 24 mills, with an aggregate installed crushing capacity of approximately 73 million tons per crop year.

The closing of the Transaction is subject to approval by the Brazilian antitrust authority (Administrative Council for Economic Defense – CADE) and the fulfillment of other customary closing conditions set forth in the agreements. The Company will keep the market duly informed of any material developments related to this matter.
