

## THE 2021 BLOOMBERG GEI HAS 380 COMPANIES, FROM 44 COUNTRIES, OF WHICH 9 FROM BRAZIL

São Paulo, January 27<sup>th</sup>, 2021.

Odontoprev (B3: ODPV3), listed in São Paulo since 2006, the market leader on dental benefits in Latin America, is pleased to inform that it is one of the 380 companies (from 44 countries and with a total market capitalization of USD 14 trillion), included in the Bloomberg 2021 Gender-Equality Index (GEI).

Odontoprev was included in this year's index for scoring at or above a global threshold established by Bloomberg to reflect a high level of disclosure and overall performance.

"We are honored. Over the last 10 years, the women participation in our staff has been around 75%. Also, the Odontoprev business model has a predominant female customer profile and accredited dentist network", said Mr. José Roberto Pacheco, IR Officer.

About Bloomberg GEI:

Bloomberg GEI brings transparency to gender-related practices and policies at publicly listed companies increasing the breadth of environmental, social, governance (ESG) data available to investors. The reference index measures gender equality across five pillars: female leadership and talent pipeline, equal pay and gender pay parity, inclusive culture, sexual harassment policies, and pro-woman brand. This year, Bloomberg expanded the eligibility for inclusion in the index to represent 44 countries and regions.
