Odontoprev (B3: ODPV3; "Odondoprev" or "Company"), the leading dental benefits company in Latin America, was informed today that the lawsuit regarding Supplementary Healthcare Fees charged by the local Healthcare Authority "ANS" was favorable to the company.

The legal process began in 2017 and, just like other operators and insurance companies also regulated by ANS, the Company filed a lawsuit seeking to remove the mandatory payment of those fees and, on top of that, the reimbursement of amounts paid in the last five years.

The total amount, as recorded as of December 31, 2021, was R\$43,514 thousand, and will be updated and fully reversed in the financial statements of March 31, 2022.
