NOTICE TO THE MARKET

Investment plan for 2026

Hidrovias do Brasil S.A. (B3: HBSA3) ("**Company**") hereby informs its investment plans for 2026, as approved by the Board of Directors on November, 10, 2025.

2026 Investment plans (R\$ million)	Total
Expansion	79
Maintenance and others	191
Total	270

Investments in Expansion account for 29% of the Investment Plan, primarily focused on the completion of the Floating Tipper project at the ETC, an initiative that increases the capacity of the North Corridor through modular and incremental gains, adding 1.5 million tons of capacity to the integrated system, in addition to targeted investments in continuous improvement projects.

Investments allocated to Maintenance and Other comprise scheduled maintenance of navigation and port assets, as well as investments in safety and technology projects aimed at increasing the Company's efficiency and productivity.

The Investor Relations department is available to answer any existing questions.
