

## MATERIAL FACT

### RESUMPTION OF PRODUCTION IN THE PEREGRINO FIELD

**Rio de Janeiro, October 17, 2025** – PRIO S.A. (“Company” or “PRIO”) (B3: PRIO3), in addition to the Material Fact published by the Company on August 18, 2025, informs its shareholders and the market in general that the National Agency of Petroleum, Natural Gas and Biofuels (“ANP”) has authorized today the resumption of production at the Peregrino FPSO, operated by Equinor do Brasil Ltda. (“Equinor”), as communicated to the consortium partners of the asset through the Operational Safety Superintendence. Thus, the production ramp-up process will begin immediately.

#### About PRIO

PRIO is the largest independent company in the oil and gas production in Brazil. The Company’s corporate culture seeks to increase production through the acquisition of new production assets, the re-exploration of assets, increased operational efficiency and reduction of production costs and corporate expenses. PRIO’s main objective is to create value for its shareholders with growing financial discipline and preserving its liquidity, with full respect for safety and the environment. #### Disclaimer

This news release contains forward-looking statements. All statements other than statements of historical fact contained in this news release are forward-looking statements, including, without limitation, statements regarding our drilling and seismic plans, operating costs, acquisitions of equipment, expectations of finding oil, the quality of oil we expect to produce and our other plans and objectives. Readers can identify many of these statements by looking for words such as “expects”, “believe”, “hope” and “will” and similar words or the negative thereof. Although management believes that the expectations represented in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. By their nature, forward-looking statements require us to make assumptions and, accordingly, forward-looking statements are subject to inherent risks and uncertainties. We caution readers of this news release not to place undue reliance on our forward-looking statements because a number of factors may cause actual future circumstances, results, conditions, actions or events to differ materially from the plans, expectations, estimates or intentions expressed in the forward-looking statements and the assumptions underlying the forward-looking statements.
