About PagBank PagSeguro:

PagSeguro is a disruptive provider of financial technology solutions focused primarily on consumers, individual entrepreneurs, micro-merchants, small companies, and medium-sized companies in Brazil. Among its peers, PagSeguro is the only financial technology provider in Brazil whose business model covers all the following five pillars:

- Multiple digital banking solutions
- In-person payments via point of sale (POS) devices that PagSeguro provides to merchants
- Free digital accounts that PagSeguro provides to its consumers and merchants with functionalities such as bill payments, top up prepaid mobile phone credit, wire transfers, peer to peer cash transfers, prepaid credit cards, cash cards, loans, investments, QR code payments, and payroll portability, among other digital banking services
- Issuer of prepaid, cash and credit cards
- Operate as a full acquirer

PagSeguro is an UOL Group Company that provides an easy, safe, and hassle-free way of owning a free PagBank digital account, which is similar to a regular checking account linked to the Brazilian Central Bank's platform, with the feature of accepting payments, where its clients can transact and manage their cash, without the need to open a regular bank account. PagSeguro's end-to-end digital banking ecosystem enables its customers to accept a wide range of online and in-person payment methods, including credit cards, debit cards, meal voucher cards, boletos, bank transfers, bank debits and cash deposits.

PagSeguro's mission is to disrupt and democratize financial services in Brazil, a concentrated, underpenetrated, and high-interest rate market, by providing an end-to-end digital banking ecosystem that is safe, affordable, simple and mobile-first for both merchants and consumers.
