

PagSeguro PagBank announces new features and partnerships

PagSeguro PagBank launched the public transportation top-up in app. Additionally, PAGS signed a new partnership with one of the most relevant food retailers in Brazil, Roldão Atacadista, fostering the usage of PagBank QR Code.

São Paulo, Brazil, June 8, 2020 – PagSeguro Digital Ltd., or PagSeguro Digital (NYSE: PAYS), today announces new features of the digital account, including public transportation top-up in app and the new agreement with **Roldão Atacadista**, one of the most relevant food retailers in Brazil.

PagBank clients can now reload their public transportation ticket “**Bilhete Único**” in PagBank app using the balance of the digital account, bringing more convenience and additional engagement of PagBank ecosystem, helping to reduce lines in ticket counters of buses, subway, and train stations, fostering contactless transactions that has been increasing since the outbreak of COVID-19 pandemic.

Additionally, Pagseguro PagBank is partnering with Roldão Atacadista, one of the most relevant food retailers in Brazil. PagBank clients can search for the nearest store through Sales Map “**Radar de Ofertas**” and pay through QR Code, having a cash back of 10% (limited to R\$30/month per user) directly into their PagBank digital account, fostering our closed loop transaction ecosystem.

“With Bilhete Único and Roldão Atacadista partnerships, we are reinforcing our digital ecosystem, promoting a diversification of products and services and fostering our closed loop universe. Despite the COVID-19 crisis, we keep investing in product development and partnerships to offer the most complete digital financial ecosystem in Brazil.” says **Ricardo Dutra, CEO of PagSeguro PagBank**.

About PagSeguro:

PagSeguro Digital is a disruptive provider of financial technology solutions focused primarily on consumers, individual entrepreneurs, micro-merchants, small companies and medium-sized companies in Brazil. Among its peers, PagSeguro Digital is the only financial technology provider in Brazil whose business model covers all of the following five pillars:

- Multiple digital banking solutions
- In-person payments via point of sale (POS) devices that PagSeguro Digital provides to merchants
- Free digital accounts that PagSeguro Digital provides to its consumers and merchants with functionalities such as bill payments, top up prepaid mobile phone credit, wire transfers, peer to peer cash transfers, prepaid credit cards, cash cards, loans, investments, QR code payments, and payroll portability, among other digital banking services
- Issuer of prepaid, cash and credit cards
- Operate as a full acquirer

PagSeguro Digital is an UOL Group Company that provides an easy, safe and hassle-free way of owning a free PagBank digital account, which is similar to a regular checking account linked to the Brazilian Central Bank's platform, with the feature of accepting payments, where its clients can transact and manage their cash, without the need to open a regular bank account. PagSeguro Digital's end-to-end digital banking ecosystem enables its customers to accept a wide range of online and in-person payment methods, including credit cards, debit cards, meal voucher cards, *boletos*, bank transfers, bank debits and cash deposits.

PagSeguro Digital's mission is to disrupt and democratize financial services in Brazil, a concentrated, underpenetrated and high interest rate market, by providing an end-to-end digital banking ecosystem that is safe, affordable, simple and mobile-first for both merchants and consumers.
