

PagBank PagSeguro announces the acquisition of Concil

São Paulo, August 17, 2021 – PagSeguro Digital Ltd., or PagBank PagSeguro (NYSE: PAGES), which promotes innovative solutions and inclusion in financial services and payments, being the market leader in the number of merchants in the Brazilian Payments industry, announces the acquisition of Concil. The transaction reinforces the company's strategy to grow through the acquisitions that completes its ecosystem, reinforcing its tech position and creating integrated solutions for the Brazilian entrepreneurs of any size have more success in their businesses.

Concil, which is the leader in the reconciliation segment, has a complete and scalable platform, with a variety of products, since payments reconciliation, merchant discount rate audit, bank reconciliation, and offers plug-ins with the most relevant ERP systems available in the market. The company also has more the 35 partnerships and integrations with acquiring companies, vouchers and regional card schemes. Additionally, through Concil Recon, PagBank PagSeguro will increase its footprint in the prepayment activities in more structured and efficient way.

Founded in 1993, Concil has more than 6.000 active clients and process more than 50 million transactions totaling R\$ 3 billion of TPV per month. In March 2021, Concil was considered one of the most innovative Brazilian Fintech by the Daily Finance magazine.

PagBank PagSeguro plans to use its unique distribution capability to offer a complete app of the best conciliation platform, previously available only for its biggest clients, free of charges now for all its 7.5 million clients, as of September 1st, 2021. PagBank PagSeguro clients which already have access to Auditech conciliation solution, will now have access to Concil's platform and Concil's clients will have their contracts with other acquirers respected.

About PagBank PagSeguro

PagBank PagSeguro is a disruptive provider of financial technology solutions focused primarily on consumers, individual entrepreneurs, micro-merchants, small companies, and medium-sized companies in Brazil. Among its peers, PagBank PagSeguro is the only financial technology provider in Brazil whose business model covers all the following five pillars:

- Multiple digital banking solutions
- In-person payments via point of sale (POS) devices that PagSeguro Digital provides to merchants
- Free digital accounts that PagSeguro Digital provides to its consumers and merchants with functionalities such as bill payments, top up prepaid mobile phone credit, wire transfers, peer to peer cash transfers, prepaid credit cards, cash cards, loans, investments, QR code payments, and payroll portability, among other digital banking services
- Issuer of prepaid, cash and credit cards
- Operate as a full acquirer

PagBank PagSeguro is an UOL Group Company that provides an easy, safe and hassle-free way of owning a free PagBank digital account, which is similar to a regular checking account linked to the Brazilian Central Bank's platform, with the feature of accepting payments, where its clients can transact and manage their cash, without the need to open a regular bank account. PagBank PagSeguro's end-to-end digital banking ecosystem enables its customers to accept a wide range of online and in-person payment methods, including credit cards, debit cards, meal voucher cards, *boletos*, bank transfers, bank debits and cash deposits.

PagBank PagSeguro's mission is to disrupt and democratize financial services in Brazil, a concentrated, underpenetrated and high interest rate market, by providing an end-to-end digital banking ecosystem that is safe, affordable, simple and mobile-first for both merchants and consumers.

About Concil

Concil is leader and reference in financial solutions which promote digital transformation of Brazilian entrepreneurs. Its mission is to help companies to transform and simplify financial management, through technology, integrated information, and strategic partnerships, providing security in business decisions, time saving and improvement in financial results, anticipating major market trends.
