NOTICE TO THE MARKET ACQUISITION OF VADU LTDA. BY DIMENSA S.A.

TOTVS S.A. (B3: TOTS3) (the "Company") hereby announces that Dimensa S.A. ("Dimensa"), on the date hereof, entered into an Agreement of Sale and Purchase of Shares and Other Covenants (the "Agreement") to acquire shares representing 100% of the capital stock of Vadu Ltda. ("Mobile2you"), for the amount of R\$40 million. In addition, such Agreement provides for the payment of a complementary purchase price, subject to meeting certain performance targets by Vadu and the fulfillment of other conditions.

Vadu is a platform for analysis, automation and monitoring solutions for the credit market. Founded in 2016, the company was created with the purpose of making credit management processes more efficient, from analysis to post-credit monitoring. Using Big Data integrated with Artificial Intelligence, the platform operates throughout the credit journey and provides, in real time, essential information for quick decision-making, such as anticipating possible company defaults, monitoring the evolution of risk and monitoring focused on the clients portfolio's main issues. Based on March 2022 results, Vadu earned approximately R\$17 million of annualized gross revenue.

With this acquisition, Dimensa should expand its clients' offer of products and services, representing another strategic step to strengthen its leadership position in the segment of B2B technologies for the financial and fintech sector.
