

INFORMATION TO THE MARKET

BB Seguridade Participações S.A. ("BB Seguridade") the signing of a commercial agreement between its wholly-owned subsidiary – BB Corretora de Seguros e Administração de Bens S.A. ("BB Corretora") and GPS Pamcary ("Pamcary") to promote and offer transportation insurance to large companies which are clientes of Banco do Brasil ("BB"), continuing the movement of entering into partnerships to improve the capture of opportunities in BB's wholesale segment and diversify its distribution models.

The partnership provides the distribution, within a co-brokerage arrangement, of insurances underwritten by MAPFRE Seguros Gerais to cover national and international cargo transportation, as well as casualties related to liabilities of the logistic operator. This distribution model complements the current one conducted by BB Corretora, by adding the expertise of Pamcary, which is a local reference in the sales intermediation of the products embedded in the agreement that requires a high level of specialization of the broker.
