Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with Brazilian and international standards on review of interim financial information (NBC TR 2410 and ISRE 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity, respectively). A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying individual interim financial information included in the ITR referred to above is not prepared, in all material respects, in accordance with CPC 21 (R1), applicable to the preparation of ITR, and presented in accordance with the standards issued by the CVM.

Conclusion on the consolidated interim financial information

Accordingly, the determination of the accounting policy, adopted by the Company for the recognition of revenue from purchase and sale agreements of uncompleted real estate units on aspects related to transfer of control, abide by the Company's Management understanding on the application of CPC 47, aligned with the understanding expressed by the CVM in Circular Letter CVM/SNC/SEP 02/2018. Our conclusion is not qualified in respect of this matter.
