AFYA SECURES LOAN OF UP TO R\$500 MILLION FROM IFC TO SUPPORT THE COMPANY'S EXPANSION

Nova Lima, Brazil, August 7, 2024 – Afya Limited (Nasdaq: AFYA; B3: A2FY34) ("Afya" or the "Company"), the leading medical education group and medical practice solutions provider in Brazil announced today that its wholly-owned subsidiary, Afya Participações S.A., entered into a loan agreement with International Finance Corporation ("IFC") to finance its expansion program, through acquisitions.

The financing is IFC's first sustainability-linked loan based on social targets in the education sector. The pricing of IFC's loan will be linked to Afya reaching performance target levels in selected social key performance indicators encompassing free medical consultations for the community and quality of education according to Brazil's Ministry of Education criteria ("Sustainability KPIs").

According to the financing terms, IFC will loan up to R\$500.0 million, which shall be repaid in seven equal semi-annual installments starting in April 2027. The interest rate is the Brazilian CDI rate plus 1.2%, and it may be reduced by 15 bps if the Sustainability KPIs are achieved. The disbursement is subject to customary closing conditions.
