# SAFE HARBOR

**This presentation contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, which statements involve substantial risks and uncertainties.**

All statements other than statements of historical fact, could be deemed forward-looking, including risks and uncertainties related to statements about our competition; **our ability to attract, upsell and retain students; our ability to increase tuition prices; our ability to anticipate and meet the evolving needs of student and teachers; our ability to source and successfully integrate acquisitions;** general market, political, economic, and business conditions; and our financial targets such as revenue, share count and IFRS and non-IFRS financial measures including gross margin, operating margin, net income (loss) per diluted share, and free cash flow.

Forward-looking statements by their nature address matters that are, to different degrees, uncertain, such as statements about the potential

## **impacts of the COVID-19**

pandemic on our business operations, financial results and financial position and on the Brazilian economy.

The Company **undertakes no obligation to update any forward-looking** statements made in this press release to reflect events or circumstances after the date of this press release or to reflect new information or the occurrence of unanticipated events, except as required by law.

**The achievement or success of the matters covered by such forward-looking** statements involves known and unknown risks, uncertainties and assumptions. If any such risks or uncertainties materialize or if any of the assumptions prove incorrect, our results could differ materially from the results expressed or implied by the forward-looking statements we make.

Readers should not rely upon **forward-looking** statements as predictions of future events.

**Forward-looking  
statements represent  
management's  
beliefs and  
assumptions  
only as of the date such  
statements are made.**

Further information on these and other factors that could affect the

## **Company's financial results is included**

in filings made with the United States Securities and Exchange Commission (SEC) from time to time, including the section titled "Risk Factors" in the most recent Rule 434(b) prospectus. These documents are available on the SEC Filings section of the investor relations section of **our website**.

# Afya is continuously strengthening its presence as a trusted partner among doctors

## ESTABLISHMENT OF AFYA BRAND

Since we started investing in Afya's master brand, our brand awareness among the medical community has increased from 31% to 54% in one year

## AFYA SUMMIT

An event with more than 1,200 physicians to reinforce Afya's positioning as the largest hub for education and medical practice solutions in Brazil

## AFYA RESEARCH CENTER

Dedicated to understanding medical behavior, the Afya Research Center already provided more than 35 researches for our own use, and B2B clients.

## LAUNCH OF PORTAL AFYA

Launched in April 2024, has already more than 675 thousand monthly active users and is responsible for 70% of Afya's organic traffic

EXCEPTIONAL AVENUES FOR GROWTH AND VALUE CREATION

# HOW CAN AFYA FINANCE ITS GROWTH? THROUGH IMPRESSIVE CASH GENERATION

NET DEBT RECONCILIATION - (R\$MM)

# HOW CAN AFYA FINANCE ITS GROWTH? THROUGH IMPRESSIVE CASH GENERATION

EXCEPTIONAL AVENUES FOR GROWTH AND VALUE CREATION

# HOW CAN AFYA FINANCE ITS GROWTH? THROUGH IMPRESSIVE CASH GENERATION

## WHY DOES AFYA GENERATE SO MUCH CASH?

**Focus on medicine when compared to other undergrad courses:**

- ✓ Higher Ticket and Margins
- ✓ 100% occupancy
- ✓ Lower attrition rate
- ✓ Lower DSO
- ✓ Exposure to better student profile with high income

EXCEPTIONAL AVENUES FOR GROWTH AND VALUE CREATION

# HOW DO WE FINANCE OUR GROWTH: A BALANCED CAPITAL STRUCTURE

For the six months period ended June, 30

	COST OF DEBT			
	Gross Debt (R\$ MM)	Duration (Years)	Per Year	%CDI <sup>2</sup>
	2024	2024	2024	2024
Loans and Financing: Softbank	827	1.9	6.5%	58%
Loans and Financing: Debenture	526	3.1	12.6%	117%
Loans and Financing: Others	432	1.0	12.6%	117%
Accounts Payable to Selling Shareholders	398	0.7	10.7%	100%
<b>TOTAL<sup>1</sup>   AVERAGE</b>	<b>2,183</b>	<b>1.8</b>	<b>9.7%</b>	<b>91%</b>

<sup>1</sup>Total amount refers only to the "Gross Debt" columns

<sup>2</sup>Based on the annualized Interbank Certificates of Deposit ("CDI") rate for the period as a reference: 1H24: ~10.40% p.y.

\*Net Debt / Adjusted EBITDA is calculated by Net Debt (excluding the effect of IFRS16) divided by Adjusted EBITDA (considering the mid guidance).

# IFC INNOVATIVE NEW LOAN

IFC's (International Finance Corporation) first sustainability-linked loan based on social targets in the education sector

- BRL 500 million under the loan agreement with IFC to support the Company's expansion program
- Interest rate is the Brazilian CDI rate plus 1.2%, and it may be reduced by 15 bps if the Sustainability KPIs are achieved

## A COMPROMISE OF SOCIAL IMPACT AND QUALITY

### KPI 1

**3.4 million free medical consultations by 2029**

Note: 73% of these consultations taking place in cities of high and medium social vulnerability

### KPI 2

**Afya's Medical courses rated 4 or 5 by Ministry of Education (MEC)**

**EXCEPTIONAL AVENUES FOR GROWTH AND VALUE CREATION**
