#### **MATERIAL FACT**

CIA. DE FERRO LIGAS DA BAHIA - FERBASA (B3: FESA3 / FESA4) (“FERBASA” or “Company”), in compliance with the terms of article 157, paragraph 4, of Law no. 6,404/76, as amended (Corporate Law), and article 2 of CVM Instruction no. 44/2021, as amended, communicates its shareholders and the market in general that the Company signed, on this date, two agreements with CHESF - COMPANHIA HIDRO ELÉTRICA DO SÃO FRANCISCO (ELETROBRÁS CHESF): (i) an AMENDMENT to the current electricity supply agreement and (ii) a NEW CONTRACT purchase and sale of electricity, under the following terms:

- (I) The ADDENDUM to the current Electricity Purchase and Sale Agreement (in force since November 5, 2004) determined only the following changes: (a) the energy supply will occur in the Flat mode, as of August 1, 2023, allowing the company to operate at peak hours and increase its operational efficiency and; (b) the termination of the contract on December 31, 2023.
  
- (II) In turn, the NEW CONTRACT establishes the energy supply, also in Flat mode, under the following conditions: (a) a volume of 90 average MW, starting on January 1, 2024 and ending on December 31, 2024; (b) an average volume of 55 MW from January 1, 2025 and ending on December 31, 2044.

Finally, the Company clarifies that the NEW CONTRACT signed will not represent a significant change in the annual amount of energy contracted for its operations continuity. FERBASA reiterates its commitment to the best corporate governance practices and will keep its shareholders, investors and the market in general duly informed, in accordance with the applicable legislation.
