Unigel files for judicial recovery and maintains focus on the sustainable resumption of its business

Unigel Participações S.A. ("Company" or "Unigel" and, together with its subsidiaries, "Unigel Group"), announces that on this Wednesday, October 8, it has filed a petition for Judicial Recovery with the 2nd Bankruptcy Court of the District of São Paulo, State of São Paulo. This measure aims to enable the restructuring of its capital structure and the preservation of its activities.

The Company reinforces its commitment to the continuity of its operations and remains dedicated to the delivery of the new sulfuric acid plant under construction in Bahia, with operations scheduled to begin in January 2026.

Unigel also emphasizes its confidence in dialogue and negotiation with its creditors, understanding that the judicial recovery process creates the necessary conditions for building a global, structural, and definitive solution for its capital structure.
