

Volaris Reports May 2026 Traffic Results: Load Factor of 86%

Mexico City, Mexico, June 3, 2026 – Controladora Vuela Compañía de Aviación, S.A.B. de C.V. (NYSE: VLRS and BMV: VOLAR) (“Volaris” or “the Company”), the ultra-low-cost carrier (ULCC) serving Mexico, the United States, Central and South America, reports its **May 2026** preliminary traffic results.

In May, Volaris’ ASM capacity decreased by 0.4%, while RPMs for the month grew 4.9%. Mexican domestic RPMs declined by 1.4%, while international RPMs increased 15.9%. Consolidated load factor increased by 4.3 percentage points year-over-year to 86.2%. During the month, Volaris transported 2.7 million passengers.

Enrique Beltranena, Volaris’ President and CEO, said: “May traffic results reflect our continued disciplined execution across the network. Our performance remains **in line with the guidance** and we remain focused on optimizing capacity deployment, enhancing revenue quality, and leveraging the flexibility of our business model. As we proactively aligned capacity with the current environment, demand trends remained healthy, supported by strong close-in bookings during the month, particularly in the cross-border market.”

About Volaris

*Controladora Vuela Compañía de Aviación, S.A.B. de C.V. ("Volaris" or "the Company") (NYSE: VLRS and BMV: VOLAR) is an ultra-low-cost carrier, with point-to-point operations, serving Mexico, the United States, Central, and South America. Volaris offers low base fares to build its market, providing quality service and extensive customer choice. Since the beginning of operations in March 2006, Volaris has increased its routes from 5 to more than 244 and its fleet from 4 to 157 aircraft. Volaris offers around 500 daily flight segments on routes that connect 46 cities in Mexico and 29 cities in the United States, Central, and South America, with one of the youngest fleets in Mexico. Volaris targets passengers who are visiting friends and relatives, cost-conscious business and leisure travelers in Mexico, the United States, Central, and South America. For more information, please visit ir.volaris.com. Volaris routinely posts information that may be important to investors on its investor relations website. The Company encourages investors and potential investors to consult the Volaris website regularly for important information about Volaris.
