MATERIAL FACT

Sendas Distribuidora S.A. ("Assaí" or "Company"), in compliance with the provisions of Law No. 6,404/76 and CVM Resolution No. 44/21, hereby informs its shareholders and the market in general that Mr. Wlamir dos Anjos, current Vice President responsible for the Company's Commercial and Logistics areas, will leave his executive duties at the Company to devote himself to personal projects.

Mr. dos Anjos will remain with the Company until April 30, 2026, during which period he will support the transition process and the transfer of knowledge in the Commercial and Logistics areas.

Mr. dos Anjos has been with Assaí since 2011 and has played a key role in the Company's development over the last years, significantly contributing to the consolidation of Assaí as one of the largest cash-and-carry chains in Brazil. The Company thanks Mr. dos Anjos for his dedication, commitment, and contribution throughout this period and wishes him success in his future endeavors. The transition takes place in alignment between the parties, reflecting the Company's recognition of the executive's significant contributions throughout his tenure.

In this context, the Company's Board of Directors approved, at a meeting held on this date, that Mr. **Anderson Barres Castilho**, currently Operations Vice President, assumes, as of May 1st, 2026, the position of **Commercial and Logistics Vice President of the Company**, leaving his previous duties in the Operations area. Mr. Castilho has been with Assaí since 2012 and has more than **30 years of experience in the cash-and-carry, food retail** and wholesale distribution sectors.

As part of the operational structure organization during this transition period, Mr. **Sergio Ferraz Leite**, current non-statutory New Business Officer, will also be responsible for the Operations area, as non-statutory Operations and New Business Executive Officer. Mr. Leite has been with Assaí since 2014 and has 27 years of experience in the food sector.

The Company emphasizes that the transition is taking place in a planned manner, in the context of the continuity strategy and aligned with the strengthening of its commercial and logistics operations, not changing its operational or commercial guidelines.
