

Azul is recognized for the fourth consecutive year in the B3 Corporate Sustainability Index (ISE B3)

Being part of the B3 Corporate Sustainability Index reinforces Azul's ongoing commitment to excellence in environmental, social, and governance practices, creating positive and sustainable impacts for all our stakeholders

São Paulo, May 5, 2025 – Azul S.A., “Azul” or the “Company”, (B3: AZUL4, NYSE: AZUL), the largest airline in Brazil by number of flights and cities served, informs that it has been included once again in the B3 Corporate Sustainability Index (“ISE B3”), maintaining a “B” score on the CDP.

The 20th ISE B3 portfolio includes 84 companies from 40 sectors, and Azul, once again, is the only airline company present. This recognition highlights our engagement and commitment to the best ESG practices and climate change control.

Created in 2005, ISE B3 aims to be an indicator of the average performance of the stock prices of companies selected for their recognized commitment to corporate sustainability, serving as a tool for comparative analysis of the performance of companies listed on B3 from the perspective of corporate sustainability.

Azul is proud of its ongoing commitment to sustainable practices and remains dedicated to promoting a more responsible future.

About Azul

Azul S.A. (B3: AZUL4, NYSE: AZUL) is the largest airline in Brazil in terms of number of flights and cities served, with approximately 1,000 daily flights to more than 160 destinations.
