

## Azul Announces Risk Rating Report Update

**São Paulo, March 2, 2026** - Azul S.A., "Azul" or "Company", (B3: AZUL53, OTC: AZLUY), hereby informs the market, in compliance with the provisions of CVM Resolutions No. 44, of August 23, 2021, as amended, and No. 80, of March 29, 2022, as amended, that S&P Global published its report on Azul's Brazil National Scale rating, assigning an upgrade to "brBBB-," with a stable outlook.

According to the agency, the upgrade reflects Azul's successful emergence from the Chapter 11 process, resulting in a significantly leaner capital structure. In addition, the stable outlook reflects expectations of continued solid operational performance and a leaner capital structure with controlled leverage.

Azul reinforces its commitment to complying with the disclosure rules for periodic and occasional information and other information of interest to the market applicable to publicly traded companies, guaranteeing its wide and immediate dissemination and equal treatment to all, in order to avoid any type of asymmetric information that could harm its investors.
