

CAIXA ECONÔMICA FEDERAL
(State-Owned Company)

NOTICE TO THE MARKET

Caixa Econômica Federal ("**CAIXA**") announces to the Brazilian society, its clients and employees, and the market in general that the bank's Board of Directors approved, on this date, the appointment of Mr. Marcos Brasiliano Rosa for the position of Vice-President of Finance and Controlling (CFO).

Marcos Brasiliano Rosa was born in Goiatuba/GO, holds a degree in Accounting and a post-graduate degree in Financial Management and Controllershship, and has been a CAIXA's employee since 1989.

During that time, he managed several processes linked to the Vice-Presidency for which he now responds, having been the bank's Accountant for 8 years, in addition to being responsible for the Tax Management and Controlling processes.

Since January 2020, he has been statutorily responsible as Controller Officer, including the Chief Data Officer (CDO), having also responded cumulatively for the Finance Office between January and November 2020.
