### NOTICE TO THE MARKET

#### CHRISTMAS 2021: ORDERS 135% ABOVE 2020

**Sequoia Logística e Transportes S.A.** (“Sequoia” ou “Companhia”) (B3: SEQL3) in compliance with the provisions of article 12 of CVM Instruction 358/02, as amended, to inform its shareholders and the market in general the Christmas operational highlights.

The period considered for this analysis comprised seven days, starting on December 20th and ending on December 26th, 2021. When compared to the Christmas period equivalent to the previous year (2020), **we recorded robust growth of 135% in deliveries and increase of 108% in gross revenue.**

The expressive result delivered at Christmas, added to the strong result already disclosed for the Black Friday, demonstrates the Company's innovative business model, combining continuous investments in technology with logistics solutions that fit from small sellers to the largest marketplaces and retail chains in the country.

Finally, the Company highlights that the numbers and information mentioned above are managerial, preliminary and non-audited. For additional information, contact the Investor Relations Department.
